Professional Summary

Entry-level Network Support Engineer with hands-on experience supporting IT infrastructure in a hospital environment. Experienced in network troubleshooting, system support, HMIS/LIS applications, and device connectivity issues. Juniper Cloud certified with strong fundamentals in networking concepts, eager to transition into NOC or core network roles.

Professional Experience

Tech Support Engineer – IT Infrastructure

Owaisi Group of Hospitals, Hyderabad | Jul 2025 – Present

- Provided Level-1 technical support for hospital IT infrastructure, including network-connected systems and devices.
 - Assisted in troubleshooting LAN connectivity issues, IP conflicts, and network access problems across departments.
 - Supported Hospital Management Information System (HMIS) and Laboratory Information Systems (LIS), ensuring system availability.
 - Monitored and maintained census reports, bed occupancy data, and operational dashboards using Excel.
 - Supported Aadhaar Enabled Biometric Attendance System (AEBAS), including device connectivity, enrolment, and issue resolution.
 - Resolved hardware, printer, scanner, and biometric device issues involving network and system dependencies.
 - Coordinated with senior IT staff and vendors to escalate and resolve infrastructure-related incidents.
-

Academic & Practical Projects

RupXPay – Crypto to INR Payment System (Android Application)

- Developed a block-chain-based payment system with secure transaction handling.
- Gained exposure to backend systems, APIs, and security concepts applicable to networked applications.
- Worked with Node.js, Web3.js, and cloud-based block-chain infrastructure.

Technical Skills

- Programming: Python, Java, C
 - Web Technologies: HTML, CSS, JavaScript, React
 - Databases & Data: SQL, Excel
 - Tools & Platforms: GitHub, VS Code
 - Cloud & AI Tools: AWS (Basics), ChatGPT, Claude, Gemini, Zencoder
-

Education

B.E. in Computer Science and Engineering

ISL Engineering College, Hyderabad | 2025 | CGPA: 6.82

Intermediate (MPC)

Sri Srinivasa Junior College | 2020 | 69%

SSC

Morale Model High School, Hyderabad | 2018 | CGPA: 7.2

Certifications

- Juniper JNCAA – Cloud Associate (JNCIA-Cloud)
- EduSkills – Generative AI Virtual Internship
